Chad Thames Memorial Scholarship

The family and friends of Chad Morgan Thames are pleased you have chosen to apply for a Chad Thames Memorial Scholarship. Chad was a graduate of Katy High School Class of 1986. He continued his education at Southwest Texas Junior College in Uvalde and graduated with a Bachelors of Science in Agriculture from Sam Houston State University. Chad (like all his family) was actively involved with FFA for many years. While in school, he earned his Lone Star Farmer degree and was made an honorary member of the Katy FFA after graduation. He truly enjoyed helping students with their animal projects and volunteering on the Katy FFA Rodeo committee and working and competing at the Katy FFA Rodeo. Chad passed away on April 2, 2011 at the age of 43. The scholarship fund was started by and is funded through the generosity of his family and friends. It exists to honor Chad's special spirit of giving back to members of the agricultural community.

Applicants for this scholarship should be well-rounded individuals who have demonstrated a dedication to agricultural activities. They should have used their strong work ethic, good character and passion for agriculture's importance in today's culture to influence their involvement in these activities.
